

School Fair

Roman, Aisha, Julie and Sarah want to organise the schools fair, but they are not able to meet on the same day.

Roman is unable to meet on Tuesdays, Wednesdays and Saturdays.

Aisha is free to meet on Mondays, Wednesdays and Thursdays.

Julie has German lessons on Mondays and Thursdays.

Sarah is available on Mondays, Tuesdays and Fridays.

They all want to stay with their families on Sundays.

Can each pair find a day on which to meet?

Are there any days when none of them can meet?

Are there any days when more than one pair can meet?
